

DIACREST

HSE POLICY STATEMENT

Diacrest International Limited recognizes the importance sound environment and the overall wellbeing of employees and all our stakeholders and will strive to promote safe environment in our operation.

Diacrest is committed to:

1. Comply with all applicable statutory regulations, legislation, and standard code of practice.
2. Minimize the impact of our activities on the environment in which we operate to the barest minimum.
3. Establish and maintain a safe and healthy working environment.
4. Identify all hazard and associated risk, evaluate them, and establish adequate control to manage them and reduce to as low as reasonably practicable.
5. Set target and appraise our performance for continual improvement.

This policy will be enforced in all our operations and facilities under Diacrest control. It shall be reviewed regularly as the need arises
